To Whom It May Concern,

I'm writing on behalf of Little People of America(LPA), a national non-profit organization that provides support and information to people of short stature and their families. LPA provides peer and parent support, medical resources, scholarships, and programs that benefit the dwarfism community while trying to promote education and community outreach.

LPA District 4 and our Chapters host events throughout the year for our members here in Florida. We're excited for our upcoming District 4 Spring Regional that will be held April 21-23, 2023 in Palm Beach Gardens, FL! We are reaching out to you with a wonderful sponsorship opportunity to join our efforts to help make this event possible. The regional is expected to have attendees from Florida and other states come together for a weekend of connecting with others in the dwarfism community.

LPA is inviting you to partner with us and support the following at our District 4 Regionals:

- Provide a welcoming environment to our members and first-time attendees
- Educational workshops, receptions and social activities available for all ages
- Free medical workshops and consultations with the LPA Medical Advisory Board Specialists
- Activities promoting confidence, inclusion, peer engagement and much more...

Little People of America, is a 501(c)3. All contributions are tax deductible. Your partnership will have a direct impact and be greatly appreciated! In addition, your name and company will be recognized and shared with our members at the regional event.
